Exceptional Mediation and
Dispute Resolution Services
for the Legal Community

**There is a
solution.**

Our Resolve. Your Resolution.

"Recently, I had the distinct privilege of using a mediator, through West Coast Resolution Group, for a complex, contentious business dispute. I selected him based upon his broad business and litigation knowledge and for his unique skills in bringing parties together. He did not disappoint."

"Our mediator has at all times been thoroughly prepared, effective and thoughtful in his approach to mediation. He is extremely intelligent and has a good understanding of different mediation styles. He always exhibits a professional yet friendly demeanor, which has been very helpful in fostering success in the various cases."

"We had a multi-party complex matter. Our neutral was prepared and very knowledgeable in the subject area. She impressed the clients and attorneys alike with her ability to connect with the parties and keep everyone focused and moving towards a resolution."

WEST COAST RESOLUTION GROUP HAS ONE PURPOSE:

**to provide exceptional mediation
and dispute resolution services to the
legal community.**

To achieve that goal, we have assembled a core group of highly respected neutrals with vast experience litigating and resolving civil cases.

West Coast Resolution Group maintains a roster of uniquely experienced neutrals, all well-respected by their peers in the legal community. Standards for being selected to West Coast's neutral roster are high and are maintained through ongoing training, evaluation and feedback.

With top-rated neutrals and unsurpassed client service, we look forward to welcoming you to our offices for your next mediation.
